Dear Mr.Ramachandra Mudaliar,

Perhaps you are aware that proof of a major portion of the Police Manual, Volume II, was passed for print long ago and that proof of further portions was called for. As the Inspector General of Police may possibly complain that, without Volume II, he will be unable to give effect to the provisions of Volume I recently issued, I would request you to kindly have the work put on hand immediately and see that Volume II is issued, at the latest, before the end of this month. This will also enable you to complete a work which is more than three-fourths finished.

Yours sincerely,

No 1389-8. Ag. 1918.
